Emerge Career Summit

Emerge Career Summit is a virtual career fair where students and jobseekers within South East Asia can land your next career opportunity. Opportunities on offer include internships and full time positions across a variety of disciplines.

What's different about Emerge Career Summit 2022?

- Find out what skills employers value for an enhanced job-to-skill-fit
- Complete skill modules to showcase skills required by employers
- Attend skills workshops to prepare yourself for career opportunities
- Secure a chance to be interviewed by employers during the summit

What to expect?

1. Register your interest to participate
2. Check your email for an invite to our telegram career support group
3. Add your evidence of skills demonstration by completing skills modules
4. Earn points & win attractive prizes for completing tasks to prepare yourself for the career summit
5. Receive an interview offer from recruiters before the career summit begins
6. Attend the career summit and meet your recruiter for 1:1 interview
